

Enablers

Shared goals

Enablers

What joint goals do you have in your company?

Enablers

Personal values

Enablers

How do you take into account different ideas and values? How do you create a shared understanding of them?

Enablers

Knowledge sharing

Enablers

Is your company open to sharing things? If yes, how did you build that openness?

Enablers

Complementary skills

Enablers

If you collaborate with another company, what skills, you need? or they need to have?

Enablers

Ad-hoc events and planning

Enablers

What methods you use in your company to manage processes, and unplanned events?
